

## Program with English Presenters at the Kobe Venue

Date	Time	Session No.	Session		Place	
June 1st	10:30am } 11:30am	P01-01	Poster Presentation	Blood · Blood coagulation	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	10:30am } 11:30am	P01-05	Poster Presentation	Airway management	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	10:30am } 11:30am	P01-07	Poster Presentation	Basic and clinical research: perioperative neurocognitive disorder	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	10:30am } 11:30am	P01-09	Poster Presentation	Caesarean section	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	10:30am } 11:30am	P01-15	Poster Presentation	COVID19 · Pneumonia	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	10:30am } 11:30am	P01-17	Poster Presentation	Intravenous anesthetics (Remimazolam)	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	10:30am } 11:30am	P01-19	Poster Presentation	risk assessment	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	10:30am } 11:30am	P01-21	Poster Presentation	Monitors	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	1:30pm } 3:00pm	Q04	Nominees for the Most Excellent Abstracts Presentation Award	Pediatric Anesthesia	Room 7	Emerald, South Wing B1F, Kobe Portopia Hotel
	2:30pm } 4:00pm	PD 01-06	Poster discussion	Neuroscience Research	Room B	Kitano, Main Building B1F, Kobe Portopia Hotel
	2:30pm } 4:00pm	PD 01-07	Poster discussion	Emergency Medicine/ICU	Room C	Nunobiki, Main Building B1F, Kobe Portopia Hotel
	2:30pm } 4:00pm	PD 01-08	Poster discussion	Anesthesia-related 2 (Anesthetic management and monitors)	Room C	Nunobiki, Main Building B1F, Kobe Portopia Hotel
	3:00pm } 4:00pm	P01-06	Poster Presentation	Monitoring	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	3:00pm } 4:00pm	P01-12	Poster Presentation	Basic science & CNS	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	3:00pm } 4:00pm	P01-14	Poster Presentation	Nerve block for upper extra- mittee	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	3:00pm } 4:00pm	P01-20	Poster Presentation	Complication	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	3:00pm } 4:00pm	P01-22	Poster Presentation	Anesthetic management: development	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall

Date	Time	Session No.	Session		Place	
June 2nd	9:30am } 10:30am	P02-04	Poster Presentation	Transfusion · Infusion	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	9:30am } 10:30am	P02-06	Poster Presentation	Complication	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	9:30am } 10:30am	P02-08	Poster Presentation	Basic research · Other	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	9:30am } 10:30am	P02-10	Poster Presentation	Nerve block for various purposes	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	9:30am } 10:30am	P02-19	Poster Presentation	Other 1	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	9:30am } 10:30am	P02-21	Poster Presentation	Anesthesia for orthopedic surgery	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	11:00am } 12:00pm	P02-05	Poster Presentation	Hypotension during non-cardiac surgery	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	11:00am } 12:00pm	P02-11	Poster Presentation	Nerve block around spinal canal	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	11:00am } 12:00pm	P02-17	Poster Presentation	Postoperative complication (PONV) 1	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	11:40am } 12:40pm	L12	Sponsored Seminar	New paradigms in the management of Hypotension - The Hypotension Prediction Index and balancing the circulation.	Room 4	Ohwada C, South Wing 1F, Kobe Portopia Hotel
	1:30pm } 2:30pm	P02-23	Poster Presentation	Anesthetic management: procedure	Poster Area	No.1 Building 2F, Kobe International Exhibition Hall
	1:30pm } 3:00pm	Q10	Nominees for the Most Excellent Abstracts Presentation Award	Respiration	Room 7	Emerald, South Wing B1F, Kobe Portopia Hotel
	1:40pm } 3:40pm	TS08	Symposium	Current updates on perioperative management. "What is true today may be false tomorrow."	Room 5	Sapphire, South Wing B1F, Kobe Portopia Hotel
	2:00pm } 3:00pm	WI32	Invited Lecture	Obstetric Anesthesiology Critical Care Management of High-Risk Obstetric Patients	Room 4	Ohwada C, South Wing 1F, Kobe Portopia Hotel
	3:30pm } 5:00pm	Q13	Nominees for the Most Excellent Abstracts Presentation Award	Neurosciences	Room 7	Emerald, South Wing B1F, Kobe Portopia Hotel

## Program with English Presenters Online

Session No.	Session	
L12	Sponsored Seminar	New paradigms in the management of Hypotension - The Hypotension Prediction Index and balancing the circulation.
WI29	Invited Lecture	Myocardial Injury after Noncardiac Surgery (MINS) is common, silent and deadly!
WI31	Invited Lecture	Latest findings of postoperative delirium
WI32	Invited Lecture	Obstetric Anesthesiology Critical Care Management of High-Risk Obstetric Patients
WI33	Invited Lecture	Immersive Technologies to Transform Training, Safety, and Experience in Health-care
WI34	Invited Lecture	Functional Imaging of Pain: The Perils and the Promises
WI35	Invited Lecture	Spontaneous breathing and mechanical ventilation in acute respiratory failure: Latest findings related to the diaphragm.
WI36	Invited Lecture	The latest evidence about anaesthetics and techniques on cancer outcomes following surgery
WI37	Invited Lecture	Health implications of disrupted circadian rhythms and the potential for daylight as therapy
